## **Barrier Advisors Director Receives CDBV Designation**

*Wednesday, September 5, 2007*

Michael Gish of Barrier Advisors has been awarded a Certification in Distressed Business Valuation (CDBV) by the Association of Insolvency and Restructuring Advisors. Mr. Gish is a member of the firm's corporate restructuring practice. Mr. Gish has experience performing a variety of services involving corporate reorganizations, including valuation, restructuring analyses, operational and financial analyses, due-diligence investigations, pre-bankruptcy planning and plan of reorganization formation.

This designation signifies Mr. Gish has met or exceeded all requirements for CDBV certification, including successful completion of a comprehensive course of study and rigorous examination process, demonstration of significant valuation experience, and documentation of exemplary professional character.
